

The Children's House

Presents

A Brand New Chapter

Our Summer Concert 2026

Celebrating our very first Year 6 leavers

as they prepare for their next big adventure

Dear Parents,

This year's performance is very special. We are taking this opportunity to celebrate and honour our first Year 6 cohort as they prepare to leave The Children's House. We are all incredibly proud of their journey and cannot wait to see them go on to bigger and better things.

This performance is narrated by our Year 6 pupils in our very first Year 6 production. It also features songs from Paul's music lessons and dances from Amy's dance lessons. This has been a big challenge for us as a school, as we have embraced trying something new!

All of the students have risen to the challenge, and we cannot wait for you to see how hard they have been working. Please feel free to clap and sing along as we celebrate our school community, new chapters, and new beginnings.

We hope you enjoy the show!

The Children's House Team

Running Order

Ellie · *Introduction*
